Summer 2002 Show

Well, it's summertime again and that means it's time for the Summer Show. This will be the last year of the Summertime show that has been in use since the summer of 2000.

Striving to be sensitive to our guest's feelings, we have edited out all World Trade Center Footage that existed previously in this show. For those of you with an existing stage (CEC or 3-Stage) you are receiving a new show-tape replacing the one used last year. For those with a Studio C, you are to use the same DVD's from last year titled, Summer 2001/2002, but with the new enclosed floppy disk update. If you are a new store that was not open last summer, enclosed are new DVD's and a floppy disk. Please send back either the old show-tape, or old floppy disk, back along with any other invalid shows to the support center ATTN: Show-tape Return. There is a list of valid shows on the reverse side of this sheet.

If you have any questions concerning The Summertime 2002 show, please contact the Entertainment Dept. at 972-258-5613. Thanks again for all you are doing out there in the field. Look forward to an all new September 2002 Show, until then have a cool summer!
